PRO B11 is a high potency supplement that provides 11 different strains of live natural bacteria with inulin and fructooligosaccharides. Each two-capsule serving provides 12 billion live bacteria colony forming units (cfu).

Recommendation: Take one or two capsules daily with a meal.

Do not exceed the daily recommended dosage. Always consult your Doctor or Pharmacist before taking food supplements, when you are on prescribed medication. Food supplements should not be used as a substitute for a balanced diet.

PRO B11

11 strains of live natural bacteria. 12 billion cfu per serving.
